At our 2018 Oregon District Rally, Graham Munsell arranged for Kevin Alano from Team Oregon to stop by with a presentation on the eRider Online Safety Program. With the Winter months upon us, let's start planning ahead. If you are thinking about taking a Motorcycle Safety Course or brushing up on your Riding Skills—now is the time, while we are in the idle time of our riding season to checkout Team Oregon .

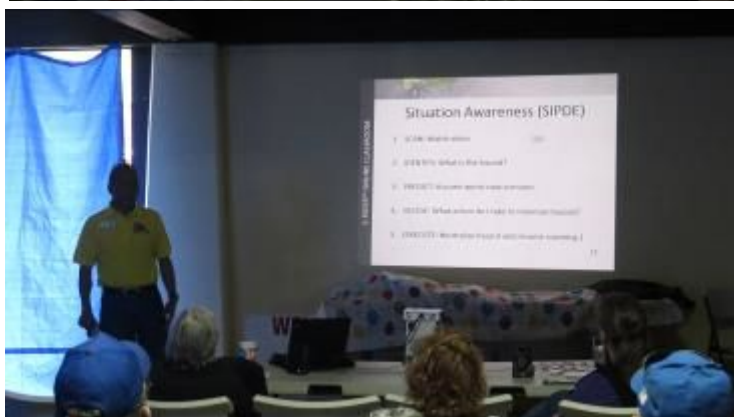

## TEAM OREGON Motorcycle Safety Program eRider® Online Classroom

Our Oregon District Educator Graham Munsell arranged for Kevin Alano, from Team Oregon to stop by and explain the safety programs that team Oregon has to offer.

Kevin presented information and a slide show on Team Oregon's eRider course that has taken the place of the in-class course. It is a highly informative course that a rider can take at their own pass, being able to go back and review ,if needed. The eRider course is tied in with on the range to educate riders on the best practices for riding safely and goes toward the State of Oregon's mandated Safety course for a motorcycle endorsement. There are many course levels , tailored for each riders need. From beginner to advanced rider training , a one day course on a enclosed track to hone your skills through the curves. # Trent's Talk

December brought us to the close of another year. Instead of our monthly gathering we had our annual Christmas party on December 8th, at Lakeside Village Community Center.

During the Christmas party we held a silent auction and had a money sock for cash donations. All of the proceeds raised was donated to Saint Francis Shelter. Saint Francis Shelters mission is " to provide safe, temporary housing for families with children by working in solidarity to recognize their innate worth and dignity"

Participating in the silent auction and contributing to the money sock was a great opportunity to have fun while helping out a wonderful cause.

The 2019 calendar has been sent out. Please remember that it is a work in progress. There is still room on the calendar for more activities. If there is something you would like to see on it, please let us know.

Please note that the meeting place for our monthly Gatherings has changed. Beginning on January 19th we start holding our Gatherings at Almost Home Restaurant and Steakhouse.

Even though it is winter, Chapter G is still very active. In January we have our Polar Bear Ride, our Chapter Birthday Party, a dinner ride, and our monthly Gathering at the Almost Home Restaurant and Steakhouse. For more information see January Happenings and the January Calendar.

Debbie and I want to wish everyone a safe and fun filled New Year.

We are looking forward to seeing you at one or more of our upcoming activities.

*Be safe out there, the only person truly looking out for you is yourself.*

~Trent Axen - Senior Chapter Director
